

Outsource your property management to the experts.

Save time and maximise outcomes.

Savvy management to boost your property's potential.

When you've successfully secured yourself an investment property, the next step is to decide who will manage it. Savvy investors understand that paying an expert to manage their property delivers benefits that far outweigh the monthly cost.

PropertyDuo's property management service will save you precious time and help ensure you maximise your property's potential for capital appreciation and returns. We keep your interests central to our processes and aim to work behind the scenes with as little intrusion in your life as possible, allowing you more time and headspace for other pursuits.

A PropertyDuo property research report includes:

Landscape Monitoring

We monitor the broader landscape staying abreast of relevant legislation and trends, providing advice that will enhance your property's performance.

Contractor Management

When things go wrong and need repairing, we'll appoint the best contractor for emergencies and other maintenance needs that arise, giving you peace of mind.

Performance Updates

We keep you informed of your property's performance via annual appraisals, regular rental reviews, inspection and maintenance reports, and income and expense reporting.

Industry Networks

We maintain strong industry networks, which prove invaluable when it comes to finding and vetting potential tenants, to help ensure your property is always tenanted.

PropertyDuo offers more to help maximise your success:
